IN RE: BAIL SCHEDULE

)

Case No. AO-2018-1

ADMINISTRATIVE ORDER
RE: AMENDED BAIL SCHEDULE

The purpose of this bail schedule is to provide a means for a person arrested without a warrant, or for a traffic offense, to obtain immediate release from jail without waiting to appear before a judge of the district court. At a person's first court appearance, the amount of bail, if any is allowed, shall lie with the sound discretion of the judge based upon an individualized inquiry into the amount necessary to satisfy the purposes of bail. The bail schedule set forth herein may be used as a guide for the judges of this district in the exercise of discretion in setting bail.

If a person is arrested without a warrant for a bailable violation of state law and a peace officer has reasonable cause to believe that the amount of bail set forth in this schedule is insufficient to assure the defendant's appearance or the protection of the public, the peace officer shall contact a judge of the district court and provide relevant information in support of a higher bail. Bail may then be ordered in an amount different than set forth herein.

A. Bail Not Allowed

Bail is not allowed for any person not lawfully in the United States or any person arrested for the following until the person appears before a judge of the district court:

1. murder in the first or second degree,
2. a violent crime that involves an attempt or intent to kill or the use of a firearm,
3. rape in the first or second degree,
4. lewd acts with a child,
5. abuse, neglect, exploitation, or sexual abuse of a child,
6. an act constituting domestic abuse, stalking or harassment,
7. a violation of an order of protection, or
